# 2011 SEASON OUTLOOK

## FRESH START

The 2011 Ohio State women's gymnastics team is full of new faces and new routines and the Buckeyes are prepared to take on new challenges and reach new heights this season. After a season plagued by injuries in 2010, Ohio State returns five letterwinners and adds two transfer gymnasts and six freshmen to the roster. The team will be led by three-time All-Big Ten selection and 2009 All-American Rebecca Best, juniors Nicole Krauter, Casey Williamson and 2009 first team All-Big Ten selection Taylor Jones.

The Buckeyes welcome Miranda Der and Amber Parsley to the gym, a pair of transfers from Bridgeport and Ball State, respectively. Additionally, Victoria Aeppli, Alex DeLuca, Taylor Fasel, Mallory Miller, Sarah Miller and Melanie Shaffer make up the new freshman class, one of the most talented classes in Ohio State history. These eight new members bring with them incredible talent and unique skills, and they will add depth on every event. Additionally, redshirt freshman Sarah Gillespie returns this season after missing last year because of injury.

The 2011 Buckeyes look to improve on all of their average event and team scores throughout the upcoming season. Losing seven of their 24 competitive routines from the 2010 season, this team has the talent to fill the voids that were left by graduated seniors Beth Ann Ballard, Hillary Dow, and Kristin Perchatsch.

Several returners gained valuable competitive experience throughout the 2010 season, as Best, Dean, Jones, Krauter and Williamson all saw action in the all-around. Jones is focusing on vault and uneven bars this season, while Williamson will compete on vault, bars, and floor, as she did in her stellar freshman season. Best, Dean and Krauter will all have the capability to compete in the all-around again.

Though young, the talented freshmen class will also vie for many spots in the lineup. Melanie Shaffer and Alex DeLuca also will be strong candidates for competing in the all-around, while Sarah Miller will contribute on vault, beam and floor.

Upperclassman leadership will come from seniors Rebecca Best and Karissa Lam, as well as from the strong junior class, which includes Miranda Der.

Joining these solid competitors are freshmen Sarah Miller, Melanie Shaffer, Alex DeLuca and Victoria Aepli. Miller's vault is unique and has the potential to score a 10.0, which would be a first in St. John Arena. Shaffer and DeLuca are both dynamic vaulters, showcasing their speed and power on this event. Sophomore Colleen Dean will add depth and likely gain competitive experience with a newly upgraded vault.

Bars is the event with the most changes from the 2010 season. Juniors Casey Williamson and Taylor Jones return with their solid routines and senior Rebecca Best will also maintain her place as the anchor on this event. However, Best will change to a newly revamped routine, which contains more difficulty and has the capability of scoring even higher than in previous seasons.

Sophomore Colleen Dean will also return to the bar squad with a new routine that is full of unique skills. Redshirt freshman Sarah Gillespie joins freshmen Alex DeLuca, Victoria Aeppli and Melanie Shaffer in rounding out the bar lineup. All of these newcomers have the capability to contribute on this event with their variety of challenging release moves and big dismounts

The beam lineup returns star performers Dean, Krauter and Best, all have strong routines and demonstrate consistency and confidence on this event. Miranda Der will make an impact on beam, which is one her strongest events. Joining the mix are Shaffer, Sarah Miller, Aepli and DeLuca, who are all in contention for seeing competitive action on beam.

Shaffer and Miller have two of the most difficult flight series on the team, while DeLuca's routine is packed with bonus. Also, Aepli begins her routine with the most challenging mount of anyone on the team. These freshmen have a long list of accolades on this event from their years of club gymnastics, which will help them to transition to competing successfully in the college arena.

The Buckeyes' floor team will have more difficulty in their tumbling passes than any team in program history. Newcomers Sarah Miller and Alex DeLuca both have two "E" tumbling passes in their routines, while Melanie Shaffer has one sky-high "E" tumbling pass in her routine. Colleen Dean, Casey Williamson and Rebecca Best return as strong veterans on this event, and Best and Williamson will be performing new and exciting floor routines. Victoria Aeppli and Miranda Der will show off their routines with their expressive dance and Nicole Krauter will likely contribute on floor as well. This floor lineup will be extremely well-rounded and will neatly fill the spot left by Dow last year.

The Buckeyes have 11 regular-season meets, including six at St. John Arena. Ohio State begins the season by hosting Minnesota at 4 p.m. Jan. 8.

Following the season and Big Ten kickoff competition, the team heads to Oregon State to compete Jan. 14 before returning for another Big Ten dual versus Illinois, which will be televised live on Big Ten Network at 12:15 p.m. Jan. 22.

The Buckeyes then hit the road for two weekends, travelling to Bowling Green for a tri-meet with Western Michigan Jan. 29 and Denver Feb. 4. The following two weekends, the team will host three home meets. West Virginia will compete at St. John Arena Feb. 12 and then the Scarlet & Gray will take on Michigan State at 7 p.m. Feb. 18 and Kentucky at 2 p.m. Feb. 20 in a double meet weekend.

Next, Ohio State heads to Penn State Feb. 26 for a double dual with the men's gymnastics team and then travel to Oklahoma March 4, the 2010 NCAA runner up, for a quad-meet with Illinois and Texas Woman's University.

The team returns home for its final regular-season meet at 1 p.m. March 12 for a Senior Meet competition against Missouri and Pittsburgh. The team will honor Rebecca Best, Karissa Lam and Jessica Staton in their final appearance in St. John Arena.

Next, the Buckeyes head to Minnesota March 19 for the Big Ten Championship, which will be televised live on Big Ten Network at 2 p.m.

The Buckeyes will move into NCAA championship competition with Regionals on April 2 at a location to be determined two weeks prior to the competition. NCAA Nationals will be held April 14 and 15 at the Wolstein Center in Cleveland, Ohio, the first time in NCAA history the meet will be held at a neutral site.

# CAREY FAGAN

HEAD COACH

7TH SEASON

PENN STATE '98

The Ohio State women's gymnastics program continues to climb up the rankings under the leadership of Carey Fagan. In her seventh season at the helm, Fagan has produced two All-Americans and led the Buckeyes to five-consecutive appearances at the NCAA regional championships.

With Fagan as an assistant coach in 2003-04, the Buckeyes finished with an average team score that ranked No. 42 in the nation. In 2004-05, her first season as head coach, that ranking rose to No. 38, then the Buckeyes upped their position to No. 27 and qualified for the NCAA regional championships in 2006. Fagan earned her first Big Ten Coach of the Year award in 2007 and led the Buckeyes into the Top 20 at No. 19 before tying for 18th in 2008. The Buckeyes finished 14th overall in 2009, hosting the NCAA regional championships where they placed third.

Facing a slew of preseason injuries, Ohio State may have started 2010 off slow, but the momentum it gained through the regular season helped the squad qualify for its fifth-consecutive appearance at the NCAA Regional Championships.

The 2010-11 season marks Fagan's ninth overall in Columbus — the first two as an assistant coach and now seven as head coach.

"Every gymnast has different strengths and weaknesses on each of the events," Fagan said. "Once an athlete joins our team, my staff and I work to choreograph routines to highlight their strengths. We individualize workout plans for each gymnasts to help them develop their strengths and improve on their weak

areas. We use a video-replay system during training so that we can actually show the gymnasts the body positions, or form corrections that need to be adjusted in order to improve."

At Ohio State, Fagan has coached two student-athletes to back-back All-America honors. UMASS '97

William (Bill) Lorenz is in his seventh season as an assistant gymnastics coach for the Buckeyes. Lorenz joined head coach Carey Fagan in Columbus for the 2004-05 season after spending two years as an assistant at Penn State.

Lorenz coaches floor and vault for the Buckeyes. Under his direction, the squad has improved its difficulty on vault and its consistency. In the last six seasons, the average team score on vault has risen from 48.30 to 48.656.

"Bill has been with me since my first year as the head coach," Fagan said. "He primarily coaches vault and floor, but is our spotter on every event. One of the most unique aspect of Bill's coaching style is that he continually challenges the team to improve on their basics. In every workout he creates, there are drills and stations to help the athletes improve on the basics of gymnastics. His knowledge and teaching ability are critical to the continued success of the program."

A 1997 graduate of the University of Massachusetts, Lorenz competed for the gymnastics squad.

Lorenz began his coaching career at the University of Maryland for the 2000 and 2001 seasons then served as assistant coach at George Washington University before taking the Penn State position. "Meredith coaches beam and understands the importance of each athlete's mental approach to that event," Fagan said. "She was an incredible performer on the balance beam and can draw from her personal experiences on the ways she was able to best prepare to handle the pressure of competing on a four inch wide balance beam! Since Meredith's arrival at Ohio State, our beam team has steadily improved. With this year's depth and talent, the balance beam should prove to be one of our strongest events."

Yonushonis trained at Midwest Gymnastics and Cheerleading in Dublin from 1991-2002 and was a three-time qualifier for the Junior Olympics national championships. She was a member of the Region 5 national champion squad in both 1999 and 2000 and brought that success to Penn State, where Yonushonis and the Nittany Lions went to the NCAA championships in 2005. # ST. JOHN ARENA

Formerly the home of Ohio State basketball for 42 seasons, St. John Arena now is the permanent venue for the Buckeye gymnastics teams. Completed in November of 1956 at a cost of less than \$4 million, the 13,276-seat structure is named for former OSU basketball coach and athletic director, L.W. St. John.

The building of St. John Arena ushered in a golden era in Ohio State basketball. The Buckeyes won the national championship in 1960, were runners-up the next two years and captured a still unequalled five-consecutive Big Ten titles between 1960 and 1964.

With the opening of The Jerome Schottenstein Center, St. John Arena has become the full-time playing facility for the men's and women's gymnastics teams. Also using the arena for events are wrestling and the men's and women's volleyball teams.

The Arena has hosted two NCAA Men's Gymnastics Championships, first in 1995 and then in 2001. Fans at the 2001 meet saw the Buckeyes claim the national title, OSU's first since 1996.

St. John Arena has hosted numerous men's and women's gymnastics Big Ten Championships and will again serve as host in 2010 as the women's squad welcomes its conference foes March 27, its first in Columbus since 2002.

Over the years, the capacity of the arena has fluctuated. The original mark of 13,491 has gone as high as 13,681 and as low as the present figure of 13,276.

Prior to the start of the 1987-88 season, a \$1.2 million scoreboard, featuring the latest in computer graphics, was installed. At the same time, new corner scoreboards and a new lighting system were added.

# OHIO STATE MEET DAY

Meet day is a fan friendly experience at Ohio State with promotional events such as fan festivals and postgame autograph sessions. Fans are exposed to exceptional athletics on meet day, as Ohio State represents one of the nation's elite in athletic performance. Buckeye squads are consistently vying for conference and national titles, in addition to producing All-America performers and scholar-athletes.

# STEELWOOD

## ATHLETIC TRAINING FACILITY

With the support of the university administration, the Buckeyes moved into the Steelwood Athletic Training Facility in 2003. The practice center has helped in the training of some of the country's best gymnasts. "Steelwood" has approximately 15,000 square feet of workout area.

Along with the facility, the squad practices on equipment that meets the latest FIG specifications. For every event OSU gymnasts have the ability to train into in-ground resipits, in-ground loose foam pits or a competition-landing surface.

There is not a lot of waiting around in the Buckeye gym, as they have at least two, three and sometimes even four sets of competition equipment. Additionally, the gym features two trench bar training pits, a tramp bar training area, and a full size trampoline complete with bungee training system. The staff also utilizes a min-tramp station for air awareness and landing drills on resipits and competition surfaces. The variety of training tools and landing surfaces also helps alleviate some of the wear and tear on gymnasts' bodies that leads to overuse and chronic injuries while training.

The variety of surfaces also helps alleviate some of the wear and tear on gymnasts' bodies that leads to overuse and chronic injuries while training. As an example, the AAI/Palmer spring floor is set up to allow a gymnast to tumble onto the floor itself, onto a resipit or even into loose foam. These different landing surfaces allow a gymnast to train safely at an extremely high level at all times.

Also, the gym has an in-ground tumbletrak that goes into loose foam, an Olympic quality trampoline that also goes into loose foam and a 60-foot rod floor that goes onto an in-ground resipit or into loose foam. Unique to the Buckeyes' gym are the four vaulting stations in the facility. Two of the vaulting strips go into loose foam, one goes onto a resipit and still another is a competitive landing surface.

The Buckeye gymnastics program is proud of its new gym, a facility that is considered one of, if not the best, gymnastics training facilities in the country.

# NCAA COMPLIANCE REGULATIONS

The Ohio State University Athletics Compliance Office is committed to a comprehensive compliance program that educates everyone about the importance of adhering to NCAA, Big Ten, and institutional rules. We strive to create a "compliance conscience" within the university and throughout the community.

The commitment to compliance ensures institutional control over the department of athletics and furthers the mission of The Ohio State University. The existence of a successful compliance program depends on the willingness of coaches, administrators, staff, student-athletes and boosters to be cognizant of NCAA, Big Ten and institutional rules.

## WHAT IS COMPLIANCE?

At Ohio State, the athletics compliance office works within the department of athletics and the university to ensure Ohio State's compliance with all applicable rules. In doing so, the compliance office is charged with the following tasks:

- Educating administrators, coaches, staff, prospects, student-athletes and boosters about NCAA, Big Ten and institutional rules;
- Developing monitoring systems to ensure compliance with these rules. These systems are designed to monitor rules pertaining to recruiting, academic eligibility, financial aid, awards, extra benefits, ethical conduct, amateurism, agents, employment, occasional meals and the playing and practice seasons for each sport; and
- Investigating and reporting violations of NCAA, Big Ten and institutional rules to the appropriate governing authority.

## ARE YOU A BOOSTER?

You are a booster if you are or ever have:

- Been a member of a booster organization that supports Ohio State athletics;
- Made any financial contributions to any area of Ohio State;
- Made any annual or lifetime membership commitment to a booster organization;
- Been involved with the recruitment of a prospect;
- Provided benefits to an enrolled student-athlete or their relatives or friends;
- Been involved in promoting Ohio State's athletic program;
- Provided or helped to arrange employment for student-athletes;
- Participated in a group loosely associated with the athletics department (e.g., "Friends Of" group);
- Been a season ticket holder.

## ONCE A BOOSTER ... ALWAYS A BOOSTER.

According to the NCAA, once an individual has been identified as a booster, he or she retains this identity forever.

If you do not meet the definition of a booster, you can still be classified as a booster if you provide benefits to prospects, student-athletes, their relatives or friends and any of the following statements are true.

- The relationship between the athlete (or parents of the athlete) and the individual providing the benefits developed as a result of the athlete's participation in athletics or their reputation as an athlete;
- The relationship began only after the athlete became a prospect;
- The relationship began only after the athlete had achieved notoriety because of his or her athletic ability or reputation; or
- The pattern of giving increased after the athlete attained notoriety as a skilled athlete.

## WHAT IS AN EXTRA BENEFIT?

A recruiting inducement or extra benefit is any special arrangement by an Ohio State University employee or booster to provide a prospect, a student-athlete or their relatives or friends a benefit not expressly authorized by the NCAA. Examples of impermissible extra benefits include but are not limited to:

- cash or any type of gifts;
- loans or cosigning of loans;
- vehicle or the use of a vehicle;
- payment for or arrangement of transportation costs;
- free or reduced cost goods or services;
- free or reduced cost housing;
- concert or sporting event tickets; or
- any item not expressly permitted under NCAA rules

## WHAT ARE THE CONSEQUENCES?

Ohio State is responsible for the actions of its boosters. If a booster provides an impermissible benefit to a prospect, a student-athlete, or their relatives or friends, Ohio State may be subject to penalties, **even if the student-athlete has completed his or her eligibility.** The prospect or student-athlete who accepts an impermissible benefit jeopardizes his or her eligibility for intercollegiate competition. A booster who provides an impermissible benefit may be disassociated from the university's athletics program. Disassociation results in a loss of all benefits or privileges offered by the department of athletics and may involve other penalties as appropriate.

## GOT QUESTIONS? ASK COMPLIANCE.

The Buckeyes also topped the Big Ten for the eighth-consecutive year with a total of 347 Academic All-Big Ten recipients during the academic year. The total number of student-athletes named Academic All-Big Ten since the 1994-95 school year is 3,543.

## CONFERENCE MEDAL OF HONOR

The winners of the 2010 Big Ten Conference Medal of Honor were diver Chelsea Davis and swimmer Stefan Sigrist.

Each member institution in the conference gives the award annually to the male and female athletes in the graduating class who have attained the greatest proficiency in both academics and athletics.

The Big Ten Conference office established the award in 1914 and an additional award for the top female was instituted in 1982. This honor includes a \$5,000 postgraduate scholarship for the recipients who would like to pursue a graduate or professional program.

# OHIO STATE TRADITIONS

## BUCKEYE LEAVES

A round white decal, about the size of a quarter, with a green depiction of a buckeye leaf is applied to Ohio State football helmets for big plays and consistency on the field. This tradition started in 1968 when football coach Woody Hayes and longtime trainer Ernie Biggs changed the look of the Ohio State uniforms. Many of the sports at Ohio State incorporate Buckeye Leaves into their equipment and uniforms.

## SCRIPT OHIO

The signature formation of the Ohio State University Marching Band performed before, during halftime or after home football games is Script Ohio.

Each time the formation drill is performed, a different fourth- or fifth-year sousaphone player has the privilege of standing as the dot in the "i" of "Ohio."

At exactly 16 measures from the end of "Le Regiment," the drum major struts out toward the top of the "i," with a senior sousaphone player high-stepping a couple of paces behind. As the crowd's cheering crescendos, the drum major stops and dramatically points to the spot where the sousaphone player then assumes the post of honor, doffs his or her hat and bows deeply to both sides of the stadium.

Woody Hayes, Bob Hope and Jack Nicklaus are among the select few non-band members who have had the honor of dotting the "i."

First performed at the OSU-Pittsburgh football game Oct. 10, 1936, Script Ohio was named one of Athlon Sports' 10 Greatest Football Traditions in 1999.

## BRUTUS BUCKEYE

One of the more visible symbols of Ohio State athletics is Brutus Buckeye, the school's mascot. In 1965, an art student designed and introduced the first Brutus, while the name was chosen in a contest. The mascot began as a hardened paper mache affair that looked like a bowling ball with legs. In 1975, a radical new Brutus was designed with a prune-like head and a man's body. That attempt was booed off the field and was re-worked, giving way to a mascot comparable to the beloved present-day Brutus.

The original choices for Ohio State's mascot included a ram, an elk, a moose and the leading candidate, a male deer. Due to the skittish nature of deer, the idea of a mascot was tabled until January 1941 when "Chris," a German police dog owned by an assistant cheerleader, made an appearance at a basketball game. The dog's career was short-lived and OSU remained without an official mascot until the 1960s.

## SCHOOL SONGS

Ohio State proudly boasts an alma mater (Carmen Ohio), two fight songs (Across the Field and Buckeye Battle Cry) and a state rock song (Hang on Sloopy).

## BUCKEYE BATTLE CRY

In old Ohio there's a team  
that's known thru-out the land;  
Eleven warriors, brave and bold,  
whose fame will ever stand.  
And when the ball goes over,  
our cheers will reach the sky,  
Ohio field will hear again  
The Buckeye Battle Cry –

Drive! Drive on down the field,  
Men of the scarlet and gray;  
Don't let them thru that line,  
We have to win this game today,  
Come on, Ohio!  
Smash through to victory.  
We cheer you as you go:  
Our honor defend  
We will fight to the end for O-hi-o.

## ACROSS THE FIELD

Fight the team across the field,  
show them Ohio's here  
Set the earth reverberating  
with a mighty cheer Rah! Rah! Rah!  
Hit them hard and see how they fall;  
Never let that team get the ball,  
Hail! Hail! the gang's all here,  
So let's win that old conference now.

### SCARLET AND GRAY

Ohio State's official school colors since 1878, scarlet and gray were chosen by a group of three students in a lecture room in University Hall because "it was a pleasing combination ... and had not been adopted by any other college," noted selection committee member Alice Townshend Wing.

### TBDBITL

"The Best Damn Band in the Land" is the 225-member, all-brass Ohio State University Marching Band that formed in 1879 as a military band. Also known as "The Pride of the Buckeyes," the band perhaps is best known for the incomparable Script Ohio. Another band tradition of note is the "skull session," a warmup concert/pep rally in St. John Arena, open to the public before every home football game that allows the band to play and "think through" the show one last time. More than 10,000 fans regularly attend each skull session.

### CHEERLEADERS

Buckeye cheerleaders are a constant source of support at all athletics events. The squad took second at the 2001 College Cheerleading National Championship, its highest finish since winning the 1993 title, and has placed first in the northeast region in 19 of the last 21 years. The squad was 15th at the 2008 national championships. The cheerleaders make appearances all over the state of Ohio throughout the year.

## CARMEN OHIO

Oh! Come let's sing Ohio's praise, And songs to Alma Mater raise;  
 While our hearts rebounding thrill, With joy which death alone can still.  
 Summer's heat or Winter's cold. The seasons pass, the years will roll;  
 Time and change will surely show, How firm thy friendship O-HI-O.

# ASSOCIATE VICE PRESIDENT/DIRECTOR OF ATHLETICS

# GENE SMITH

Gene Smith is in his sixth year as director of athletics at The Ohio State University. He was named to his current position on March 5, 2005. On March 17, 2008, Gordon Gee, president of The Ohio State University, promoted Smith to university assistant vice president/director of athletics and he has since been named associate vice president/director of athletics.

Smith is the eighth person to hold the athletics director position at Ohio State and the first African-American to do so. He previously served as director of athletics at Arizona State, Iowa State, and Eastern Michigan Universities, and is entering his 24th year in the role.

At Ohio State, the 54-year old Smith oversees one of the nation's largest and most successful college athletic programs. The Buckeyes have 36 fully-funded varsity sports and more than 1,000 student-athletes. The department of athletics is completely self supporting and receives no university funds, tax dollars or student fees. In fiscal year 2008-09, the department transferred nearly \$26 million in assessments to the university, including more than \$13 million in grant-in-aid reimbursement. In Smith's first three years at Ohio State, the department of athletics finished in the black financially and increased its reserve fund.

Upon arriving at Ohio State, Smith quickly established himself as a respected and thoughtful leader, both within the university and the community. In the spring of 2007, he unveiled a five-year strategic plan, reflecting the department's goals and values. The strategic planning process, inclusive of the entire department, emphasized the development of the total student-athlete.

Under Smith's leadership, The Ohio State Department of Athletics was honored in the spring of 2008 with the Diversity in Athletics Award in the category of Overall Excellence in Diversity. Smith accepted the honor at the 43rd annual National Association of College Directors of Athletics Convention in Dallas.

Shortly after Ohio State was honored as a department for its dedication to diversity, Smith was individually recognized for his contribution to the sport of football.

The National Football Foundation & College Hall of Fame, announced in June of 2008 the recipients of the NFF's 2008 Major Awards. Smith was honored officially Dec. 9, 2008 in New York with the John L. Toner Award. Presented annually, the Toner Award is given to a director of athletics who has demonstrated superior administrative abilities and shown outstanding dedication to college athletics and particularly college football.

Smith was recently appointed to the Governing Board of Trustees of the Lincoln Theatre Association. He was named to the position by the Franklin County (Ohio) Board of Commissioners. It is a three-year appointment effective March 10, 2009.

Nationally, Smith is involved with USA Basketball as a member of the Finance & Audit Committee. That appointment was made March 25, 2009. The Finance & Audit Committee is responsible for making recommendations to the Board regarding the organization's financial investments, reviewing independent auditors for USA Basketball and, if necessary, oversight, implementation and compliance with the USA Basketball Code of Ethics.

Smith has an exemplary record of national leadership and service. In 2007, he served as president of the Division I-A Athletic Directors Association. He is entering his third year on the prestigious NCAA Men's Basketball Committee and was appointed chair of the committee for the 2010-11 academic year, with his term as chair beginning Sept. 1, 2010. Smith was recently named to the newly created Basketball Academic Enhancement Group, a 27-member panel charged with developing strategies to enhance academic performance and graduation rates in Division I men's basketball.

Smith is past president of the National Association of Collegiate Directors of Athletics (NACDA) and was that organization's first African-American president. He also has served on the NCAA Management Council, the NCAA Committee on Infractions, the NCAA Executive Committee, the NCAA Football Rules Committee, the President's Commission Liaison Committee, the NCAA Baseball Academic Enhancement Task Force, and the National Football Foundation Honors Court, among others.

In recognition of his service, Smith was named by Black Enterprise Magazine as one of the "50 Most Powerful African American in College Sports." In 2007, he was named to NACDA's inaugural "Legends Class," and was also named Athletic Administrator of the Year by the Black Coaches Association (BCA). In 2002-03, he received NACDA's AD of the Year honors for the Division I-A West Region.

Smith grew up in Cleveland, Ohio, and attended the University of Notre Dame on a football scholarship. He played four years of football as a defensive end for the Irish and was a member of the 1973 Associated Press national championship team. Smith received his bachelor's degree in business administration from Notre Dame in 1977. Following graduation, he joined the Notre Dame coaching staff under Dan Devine and remained in that capacity until 1981. The 1977 Notre Dame team captured the undisputed national championship.

Smith left Notre Dame following the 1981 season to accept a marketing position with IBM. He returned to college athletics in April of 1983 as assistant athletics director at Eastern Michigan University. In 1985, he was appointed as interim director of athletics at Eastern, a position he held until 1986 when he became the director on a full-time basis.

In 1993, Smith was named director of athletics at Iowa State University. He moved to Arizona State as director of athletics in 2000.

As a former college athlete and coach, Smith is passionate about the well being of student-athletes. "We want to create an environment for our student-athletes to be successful academically, athletically and socially," he says. "The student-athlete experience provides teachable moments that prepare young women and men for success in life."

Smith is active in the Columbus community and is a member of the board of the YMCA of Central Ohio. He also is active with the Bell Center for African American males on Ohio State's campus.

Gene and his wife, Sheila, have four children: Matt, Nicole, Lindsey and Summer, and two grandchildren: Marshall and Steele. Sheila, a 1976 Canadian Olympian in basketball, holds a doctorate in higher education administration and is an associate vice president for development at Ohio State.

# BIG LIFE. BIG STAGE. BIG TEN.

## JAMES E. DELANY Big Ten Conference Commissioner

Only the Big Ten's fifth commissioner since its founding in 1896, James E. Delany enters his 22nd year in that role. He has led the Big Ten through significant periods of change and growth that have helped the conference maintain its preeminent position as one of the nation's leaders in providing quality athletic and academic experiences for young people.

## STUDENT-ATHLETE OPPORTUNITIES

- Big Ten universities provide approximately \$100 million in direct financial aid to more than 8,500 men and women student-athletes who compete for 25 championships, 12 for men and 13 for women.
- Conference institutions sponsor broad-based athletic programs with more than 270 teams. Other than the Ivy League, the Big Ten has the most broad-based athletic programs in the United States.

## TOP ACADEMIC INSTITUTIONS

- Big Ten universities are members of the nation's only conference whose constituency is entirely composed of institutions that are members of the AAU, a prestigious association of major academic and research institutions in the United States and Canada.

## MORE TELEVISION EXPOSURE

- The Big Ten's media agreements with CBS Sports, ABC/ESPN, the Big Ten Network and CBS College Sports Network provide the conference with its greatest television exposure ever.
- In 2006, the Big Ten created the first national conference-owned television network devoted to the athletic and academic programs of a single conference. The Big Ten Network launched on Aug. 30, 2007, and became the first new network in cable or satellite television history to reach 30 million homes in its first 30 days. The Big Ten Network is now available to more than 70 million homes nationally through agreements with more than 250 cable/satellite affiliates and appears in 23 of the top 25 national media markets.
- Since the current media agreements began in 2007-08, every home football and men's basketball game has been produced while women's basketball has received more coverage than any other conference.
- The Big Ten's new media agreements have resulted in the broadcast of more than 500 events nationally and regionally on an annual basis, compared to 300 events in the final year of the previous agreements.

## NATION'S BEST FANS

- Big Ten fans are some of the nation's most supportive, with more than 8.7 million patrons attending conference home contests during the 2008-09 seasons for football, men's and women's basketball and volleyball alone.
- Over the last 31 seasons, the conference has ranked either No. 1 or No. 2 nationally in football, men's basketball and wrestling attendance. For the past 17 seasons, women's basketball has been ranked either No. 1 or No. 2 nationally in attendance.
- Big Ten institutions have more than 4.2 million living alumni and over 300,000 undergraduate students attending their universities.

The Big Ten Conference is a union of 11 world-class academic institutions who share a common mission of research, graduate, professional and undergraduate teaching and public service. The conference's 100-plus years of history, strong tradition of competitive intercollegiate athletic programs, vast and passionate alumni base, and consistent leadership in innovations position the Big Ten and its entire community firmly on the Big Stage.

The Big Ten has sustained a comprehensive set of shared practices and policies that enforce the priority of academics and emphasize the values of integrity, fairness and competitiveness in all aspects of its student-athletes' lives, with the ultimate goal of ensuring that each individual has the opportunity to live a Big Life.

## SUCCESSFUL PROGRAMS

- During the 2009-10 season, the Big Ten claimed six team national championships, including titles for Iowa wrestling, Michigan men's gymnastics, Ohio State synchronized swimming, Penn State fencing and women's volleyball and Purdue women's golf.
- The Big Ten leads all conferences with national titles in 13 different NCAA-sponsored championships since 2000-01. Over that time period, the Big Ten has produced championships in cross country, fencing, field hockey, golf, gymnastics, ice hockey, lacrosse, soccer, softball, tennis, track and field, volleyball and wrestling.

## LEADERSHIP IN GENDER EQUITY

- Since 1992, the Big Ten has shown a strong commitment to increasing opportunities for women in sports and exposure of women's athletics by establishing a multi-phased gender equity program. In that time, the Big Ten has created in excess of 2,000 new opportunities for women student-athletes and established 28 new women's teams, while expanding the number of women's championships to 13 by adding field hockey, soccer and rowing.
- As part of the gender equity action plan, the Big Ten was the first conference to voluntarily adopt male/female participation goals for student-athletes in 1992. The Big Ten initiated a five-year plan for conference members to commit to a 60 percent/40 percent male-to-female student-athlete participation ratio. This was achieved as a conference by 1997 and 2000 was the first year that all institutions individually met this goal. As part of its commitment to gender equity, the Council of Presidents/Chancellors annually monitors this policy. During the 2007-08 year, all institutions were in compliance and the conference averaged a 52/48 male-to-female participation ratio.

## BUILDING THE FUTURE

- In 1989, the Big Ten created a community outreach program—SCORE (Success Comes Out of Reading Everyday), which partners the conference with two Chicago elementary schools to improve reading performances. What began with one school, two grade levels and five classrooms has grown in its 20th year to include grades kindergarten through eighth, encompassing all classes and students at Melody School and Louis Armstrong School.
- Following the national tragedy on Sept. 11, 2001, the Big Ten, through its intercollegiate athletic department revenues, pledged a \$1 million scholarship contribution to assist the families of those affected by the terrorist attacks. The conference's donation is called the "Big Ten 9-11 Scholarship Fund", and the \$1 million contribution will be drawn from conference reserves which are generated as a result of football and men's basketball participation in NCAA, bowl and regular-season television opportunities.
- The Big Ten has established numerous community programs surrounding the Big Ten Men's and Women's Basketball Tournaments, including the Wayne Duke Postgraduate Award Scholarship, the Big Ten Career Fair, the Hoops Day 5K and a partnership with the Pink Ribbon Connection, a local breast cancer organization.

Big Ten Network President Mark Silverman (from left), Fox National Cable Sports Networks President Bob Thompson, Chicago Mayor Richard M. Daley, Big Ten Commissioner James E. Delany and Illinois Department of Commerce and Economic Opportunity Director Jack Lavin announce official Big Ten Network headquarters location at the historic Montgomery Ward building in Chicago.

The Big Ten Network is dedicated to covering the Big Ten Conference and its 11 member institutions. The Big Ten Network provides unprecedented access to an extensive schedule of conference sports events and shows; original programs in academics, the arts and sciences; campus activities; and associated personalities. Sports programming includes live coverage of more events than ever before, along with news, highlights and analysis, all complemented by hours of university-produced campus programming. The Big Ten Network is a joint venture between subsidiaries of the Big Ten Conference and Fox Cable Networks. The Big Ten Network reaches a national audience through distribution arrangements with approximately 240 cable and satellite companies.

# 2010 SEASON REVIEW

Despite being hampered by injuries, the Ohio State women's gymnastics team completed its 2010 season with an appearance at the 2010 NCAA Regional championships where the squad placed fifth with a 193.875. Under sixth-year head coach Carey Fagan, the Buckeyes compiled a 4-7 overall record while going 1-3 in Big Ten action.

Facing a slew of preseason injuries, Ohio State may have started 2010 off slow, but the momentum it gained through the regular season helped the squad qualify for its fifth-consecutive appearance at the NCAA Regional Championships in Buckeye head coach Carey Fagan's sixth season.

As host of the 2010 Big Ten Championships March 27, Ohio State scored a 194.700 in St. John Arena in front of a crowd of 1,717. The Buckeyes' team total served as the team's third-best sum this season and was good for a seventh-place finish. Three-time All-Big Ten honoree Rebecca Best finished tied for fifth in the all-around with a 39.275, a season high, after scoring team-high marks on all four events.

Senior captain Hillary Dow and junior Rebecca Best received second-team All-Big Ten honors March 26 at the 2010 Big Ten Women's Gymnastics banquet held at Ohio Stadium in Columbus, Ohio. For Dow, the all-conference honor was the first of her career while Best, a 2009 All-American, earns her third second-team honor. In six seasons, Ohio State head coach Carey Fagan has tutored eight student-athletes to 11 All-Big Ten honors with Best being her first three-time award winner.

Ohio State saw four gymnasts hit above a 39.000 in the all-around in 2010. Junior All-American Rebecca Best led the way with a season-best 39.275 notched at the 2010 Big Ten Championships March 27 in St. John Arena. Sophomore Casey Williamson posted a career-best 39.075 in the upset against Penn State (Feb. 27) while senior captain Hillary Dow added a season-best 39.050. Against Auburn, freshman Colleen Dean hit a personal-best 39.075 in the all-around to finish second behind Best's 39.100.

With three of its four regular-season home meets scheduled late in the year, Ohio State scored some of the team's best marks in St. John Arena, upsetting nationally-ranked Penn State (Feb. 27) and Auburn (March 13). The Buckeyes recorded their season-best, a 195.525, vs. Auburn. Three of the team's season-best event tallies came in Columbus including a 48.900 on bars and a 49.000 on beam vs. the Tigers, in addition to a 48.875 on floor vs. the Flames. The Buckeyes' best vault score, a 49.050, came on the road vs. Iowa Feb. 6.

# ALL-AMERICANS

**Kathy Temple** became Ohio State's first All-American gymnast when she earned the honor in the all-around in 1982. A four-time letterwinner from West Bloomfield, Mich., Temple was just a freshman when she rose to All-America status. She took eighth place in the all-around (35.80) at the 1982 AIAW Championship and also placed 10th on balance beam and 12th on floor exercise. A winner of five individual events during the season, Temple led the Buckeyes to a fifth-place finish at the 1982 AIAW Championship.

After Temple's All-America status in 1982, **Tracy Rinker** notched the same distinction in 1983 when she took home All-America laurels on the uneven bars. Rinker registered a 9.40 on uneven bars at the 1983 NCAA Championship, earning national runner-up honors. She also tied for 18th place in the all-around (36.10) at the NCAA meet. Rinker's NCAA success came just after she blitzed the Big Ten Championship record book, shattering records in the all-around, balance beam and uneven bars as she led the Buckeyes to the school's first Big Ten crown.

**Julie Somers** became Ohio State's first All-American on vault in 1987. Like Rinker, she garnered runner-up laurels at the NCAA Championship after tallying a 9.475 on vault. Somers also was a key figure in OSU's run to the Big Ten title in 1987, the fifth consecutive for the Buckeyes. She also led the Buckeyes to an eighth-place finish at the NCAA.

After over a decade without an All-American, Ohio State in 1999 when **Lindsey Vagedes** claimed the distinction in two categories – vault and all-around – as she became the first Buckeye gymnast to reach the All-America plateau in two events. The Buckeye sophomore from Warrenville, Ill., missed by just 25 hundredths of a point of becoming OSU's first-ever three-event All-American as she fell just short on balance beam. Vagedes took 10th place on vault (9.65), and recorded a 39.1 in the all-around to garner second-team All-America status.

In her second-consecutive national appearance in 2008, **Kaylan Clevinger** was named second-team All-American with a near-perfect 9.90 score on bars. Clevinger is only the fifth Buckeye gymnast to claim All-American honors and the first since Vagedes in 1999. Clevinger tied for fifth-place on bars in session one of her all-around competition. The 9.90 mark on bars increased Clevinger's all-around total to a 38.900, which placed 15th overall.

After traveling to the national championships as an alternate her freshman season, **Rebecca Best** made the most of her second trip, collecting second-team All-America honors on floor in 2009. Best, just the sixth Buckeye to receive the national distinction, earned a sixth-place finish on floor with a score of 9.850 en route to posting a career-high tying 39.050 in the all-around to finish 18th.

Ohio State has had four gymnasts selected into the Varsity O Hall of Fame in the last 12 years.

While at Ohio State, Tracey Rinker won four Big Ten individual championships and led the Buckeyes to three consecutive Big Ten titles. She won the all-around, balance beam and uneven bars in the 1983 Big Ten Championships and repeated on the uneven bars in 1984. She won All-America honors in 1983 when she finished second at the NCAA's on the uneven bars. Rinker was a member of three consecutive regional championship teams from 1982 to 1984.

Donna Silber won a total of ten Big Ten Championships as a Buckeye. She won on the floor exercise, vault, balance beam and uneven bars. Silber-Berry won the all-around event three times. She was a three-time OASW all-around champion and the 1980 MAIAW vaulting champion. A two-time OSU Scholar Athlete, Silber won the all-around competition against the Korean National Gymnastics Team her junior year.

Julie Somers dominated the Big Ten on vault, winning the league title in 1986, '87 and '88. In 1987, Somers earned the sports' highest honor, becoming an All-American on vault and was voted the team's Most Valuable Gymnast in 1987. She received Senior Regional Gymnast of the Year honors in 1989 and was also named a Big Ten Medal of Honor finalist. Somers ended her career as a three-time Ann Carr Award winner and Academic All-Big Ten selection.

A three-time NCAA qualifier, Lindsey Vagedes earned two All-America honors in 1999, placing in the all-around and on vault to become the first Buckeye gymnast to earn the distinction on two events. She captured three Big Ten titles during her four-year career, winning vault titles in both 1998 and '99 and taking the balance beam crown in 1999. Vagedes left Ohio State as a four-time All-Big Ten selection, a feat just three other Buckeyes had done before.
